DESCRIPTION

Property 10500 - BELLAGIO

5 Bedrooms

Location and Surrounding Area

Located on the western shore of Lake Como, this magnificent five-bedroom villa is the perfect place for a stylish Italian getaway by the lake that has inspired composers, artists, and poets. The villa is situated near the very center of Bellagio. Como, the main city on Lake Como and a great base from which to explore the area and the nearby villages, is located on the Italian-Swiss border. It overlooks the southwest end of the lake and is surrounded by green hills, resulting in unparalleled scenery.

Shaped like an upside-down Y, the lake is dotted with villages, including the exquisite Bellagio and Varenna. Where the southern and western shores converge lies the lake's main town, Como, an elegant and prosperous Italian city. Among the area's attractions are extraordinarily sumptuous villas, often graced with paradisiacal gardens. The mountainous terrain offers numerous opportunities for taking bird's-eye views of the lake and its towns.

Bellagio is located at the tip of the so-called Lariano Triangle. Bellagio is one of the most famous and elegant towns on Lake Como, renowned for its beautiful villas and gardens, mild climate, and naturalistic-environmental characteristics of great charm. Situated in Varenna and surrounded by a spectacular botanical garden, Villa Monastero is one of the most interesting examples of eclectic architecture around Lake Como.

The villa is just a stone's throw from Lenno, nestled in a little bay on the lake. The village boasts a beautiful 11th-century church, restored in the 16th century, with a baptistery nearby. From here, head to the grand Villa Balbianello. Don't miss the view of the lake from the balcony, and allow a few hours to explore the rooms, particularly the Expeditions Museum, which houses memorabilia from Guido Monzino's travels. Take a walk around the gardens and enjoy the wonderful views from the trails.

The villa is also a short distance from Villa Carlotta. Built at the close of the 17th century, Villa Carlotta was enriched with valuable works of art, including incredible sculptures by Antonio Canova, still on display inside the villa. The villa is also a few kilometers from Isola Comacina. Once the site of a Roman fort and medieval settlement, Lake Como's only island forms its own little bay with the mainland, just offshore from the town of Ossuccio. They even say the Holy Grail was deposited here for a time.

The villa is also just a few kilometers from Menaggio, the most important center on the western coast of Lake Como. Thanks to its central position, Menaggio is the ideal starting point for any type of excursion. By boat, you can access the sumptuous villas of the lake, while on foot or by mountain bike, you can discover the paths of Parco Val Sanagra. Golf lovers can enjoy an exclusive 18-hole course founded in 1907, and those who prefer water sports can rent a kayak while taking in the outstanding views of the surrounding nature.

The Property

With sweeping views of the calm waters of Lake Como, Property 10500 provides the perfect retreat for those seeking complete privacy and relaxation in one of the most evocative corners of Northern Italy. Located near the very center of Bellagio, this exclusive villa boasts stunning views of the surrounding area and the lake. Offering a tranquil atmosphere, Property 10500 can accommodate ten guests and features five bedrooms (three double bedrooms and two twin rooms) spread over three floors.

With breathtaking views of the calm waters of Lake Como, this exclusive villa boasts a private swimming pool with Jacuzzi and a generous poolside area furnished with comfortable sun loungers, inviting guests to sit back and unwind. With a serene atmosphere, the generous outdoor terrace offers breathtaking views of the lake and the Alps. The outdoor area is surrounded by perfectly manicured gardens featuring al fresco lounge areas for relaxing and socializing. We mentioned the view, didn't we?

A private driveway takes you directly from the main road into the villa grounds, with parking space for up to four cars. On the ground floor, you will find a spacious open-plan kitchen and living area with elegantly minimal yet comfortable décor. There is plenty of seating to relax in the living and dining room during your stay, while large windows and glass doors frame gorgeous lake views. The ground floor also boasts a fully equipped kitchen complete with a breakfast bar.

The ground floor also features a double bedroom (with a king-size bed); a twin room (that can be converted into a double bedroom); and two bathrooms. Both bedrooms have a private entrance and access to the beautiful garden. The first floor boasts one twin room; two double bedrooms (with king-size beds); and two bathrooms (one featuring a tub with lake views). The first floor also features a private terrace overlooking the lake. On the lower ground floor, you will find a laundry room, a guest bathroom, a garage (for one car), and a recently added small gym featuring dumbbells, mats, ankle weights, an elliptical machine, a treadmill, and a high bar for abs and pull-ups.
