DESCRIPTION

Property 10607 - VALDARNO

8 Bedrooms

Location and Surrounding Area

Immersed in the peaceful Tuscan countryside, this carefully restored farmhouse is ideally located to explore the region's cultural highlights and spectacular natural wonders. With breathtaking views over the surrounding countryside, this five-bedroom property is perfect for unforgettable day trips to Tuscany's most beautiful towns and offers a unique opportunity to admire its splendid landscapes while soaking up the region's rich historical and cultural heritage.

In less than one hour by car, you can reach Florence, a treasure trove of art with an astonishing contemporary vibe. Beyond its extraordinary artistic heritage and centuries of civilisation, the best way to enjoy Florence is to stroll along the riverside avenues at sunset or to get lost among the city's myriad alleyways in the bohemian Oltrarno or the narrow streets of San Niccolò, where it feels like you've stepped back in time along its centuries-old walls.

In one hour by car, you can reach the walled town of San Gimignano, one of Italy's best-preserved mediaeval villages. As you crest the nearby hills, the fourteen towers of the town rise like mediaeval Manhattan. Today, not even the plague would deter the swarms of summer day-trippers, lured by a palpable sense of history and the enchanting rural setting. The historic centre was designated a UNESCO World Heritage Site, and strolling through the streets will make you feel like you've stepped back in time.

The villa is also a few kilometres from the mediaeval town of Siena. Its ancient red brick buildings, the scallop-shaped Piazza del Campo, and the Cathedral Square, dominated by the zebra-striped Duomo, make it a must-visit for anyone travelling to Tuscany. An open-air museum celebrating Gothic architecture, Siena boasts secular monuments that have retained their mediaeval forms and exceptional art collections, offering plenty to marvel at.

The villa is a few kilometres from Volterra, one of Tuscany's most dramatic hilltop towns. Despite its many attractions, Volterra sees fewer tourists than other Tuscan towns, so you can explore its winding stone streets with locals and visit its ancient sites without the crowds. Founded by the Etruscans and surrounded by mediaeval walls, Volterra has a notable historic centre filled with fascinating Roman ruins, mediaeval buildings, and alabaster workshops.

Villa Le Torrette is 46 km from Florence Amerigo Vespucci International Airport, 113 km from Pisa Galileo Galilei International Airport, 134 km from Bologna Guglielmo Marconi Airport, and 274 km from Rome Leonardo da Vinci International Airport. Florence is 34 km from the property, Arezzo is 46 km, San Gimignano is 76 km, Siena is 95 km, Volterra is 98 km, Lucca is 110 km, Livorno is 124 km, Pisa is 132 km, Grosseto is 134 km, and Forte dei Marmi is 141 km.

The Property

Surrounded by rolling hills and wide meadows, Villa Le Torrette is a charming farmhouse set in a generous private garden with lovely views of the surrounding countryside. This carefully renovated villa is ideal for families and groups of friends seeking tranquility and complete privacy. Offering a serene atmosphere, Villa Le Torrette can accommodate up to ten guests in five double bedrooms with en-suite bathrooms spread across three floors.

Set within a lush garden, the property features an exceptional infinity pool and a spacious paved poolside area furnished with comfortable sun loungers, inviting guests to relax and unwind. The poolside area provides an ideal spot for sunbathing and enjoying moments of relaxation with a good book. The outdoor space also includes large parasols for ample shade on hot summer days.

Decorated in soft, natural tones, the well-maintained indoor spaces are spacious and bright. The ground floor includes a generous, fully equipped kitchen, a double living room with sitting and dining areas, and a loggia with a lounge area and dining table for memorable evenings under the Tuscan sky. This floor also features four double bedrooms with en-suite bathrooms. The attic houses a fifth double bedroom with a private bathroom just outside the room.

The main villa accommodates up to ten guests in five double bedrooms. On request, six additional guests can stay in the Cottage's three double bedrooms, bringing the total capacity to sixteen. The Cottage's ground floor includes a double bedroom with an en-suite bathroom, a kitchen, and a dining room, while the upper floor features two double bedrooms, each with an en-suite bathroom with a shower.
