## Property 1551365437 - ROME

### 4 Bedrooms

#### Location and Surrounding Area

Located in the heart of Rome and just steps from the city's most exclusive dining, shopping, and entertainment options, this elegant four-bedroom apartment is the perfect place for a stylish break in one of the most romantic cities in the world. With a peaceful yet central location, many of Rome's most famous attractions are within easy walking distance, while the rest are just a short taxi ride away. It would take weeks to see all that the city has to offer, but a few days is enough to explore Rome's most beautiful sites.

The apartment is just a stone's throw from the Palatine Hill and the Roman Forum, the ancient centre of the city's civil and religious life. Despite its slightly neglected state, the well-preserved ruins remain a memorable attraction for many visitors to Rome. The Trevi Fountain, the world's most famous fountain, is just around the corner. The fountain is a Baroque explosion of tritons, winged horses, and drinking snakes, and its water glitters with thousands of coins that tourists have tossed in.

The Colosseum, the largest amphitheatre ever built and the most eloquent symbol of Imperial Rome, is a short walk away. Half circus, half sports arena, Rome's most famous classical ruin is unmissable, especially now that the visitor route has been extended to the underfloor passageways through which gladiators and wild beasts once entered. The apartment is also just steps from the Pantheon, the city's best-preserved ancient temple and a must-see for any first visit to Rome.

From here, head to Piazza Navona, a magnificent square with a Bernini fountain and a popular gathering point for Romans, featuring bustling terraced cafés and seasonal fairgrounds. The apartment is also a few kilometres from the Sistine Chapel and the Roman sculpture- and sarcophagus-filled Vatican Museums, which are typically top of a first-time visitor's bucket list. Your journey is not complete without a visit to St. Peter's Square and St. Peter's Basilica, one of the largest churches ever built.
