DESCRIPTION

Property 1557152288 - CAMAIORE

8 Bedrooms

Location and Surrounding Area

Located in the picturesque town of Camaiore, just a few kilometres from the exclusive resort-lined Versilia coast, this elegant ten-bedroom villa is the perfect place for a stylish break in one of the most appreciated areas of Northern Tuscany. The Riviera della Versilia boasts twelve miles of uninterrupted sandy shores and beach resorts, offering Italian beach culture in all its glory. What might otherwise be an ordinary stretch of beach is made extraordinary by the white peaks of the Alps, which rise like snow in the distance.

Lying just inland from the wide strip of beaches that fringe the Versilia coastline and backed by the majestic Apuan Alps, the mellow old town of Pietrasanta has long been home to a vibrant community of artists and sculptors, with its bronze foundries and marble studios attracting the likes of Mitoraj, Botero, and Henry Moore. It is dozy in the off-season, but busier in warmer weather when a cool crowd drifts up from the coast to explore its galleries and independent boutiques and sip Campari spritz in the lovely Piazza del Duomo.

The villa is a few kilometres from the sunny seaside town of Viareggio, one of Tuscany's largest seaside resorts, graced with an air of elegance lent mainly by the long avenue of palms that runs the length of its seafront promenade. A modest collection of Art Nouveau-style facades adds to the sense of refinement, though for the most part, the buildings are old-style seaside hotels. Its beaches are all private, except for the free stretch between Viareggio and Torre del Lago.

Immersed in the green of the Mediterranean scrub, the traditional town of Forte dei Marmi is famed for its exclusive hotels, magnificent villas, designer boutiques, and luxury beach chalets. In the 1930s, the Fiat-founding Agnelli family made the town popular by buying a summer residence here, and the holiday home trade hasn't stopped since. The maze of tree-lined streets that lead off Roma Imperiale, to the south of the historic centre, holds the plushiest villas and celebrity hotspots.

The villa is also a few kilometres from the fortified city of Lucca. Hidden behind imposing Renaissance walls, its cobbled streets, handsome piazzas, and shady promenades make it a perfect destination to explore on foot. At the end of the day, historic cafes and restaurants tempt visitors to relax over a glass of Lucchesi wine and a slow progression of rustic dishes prepared with fresh produce from nearby Garfagnana. If you have a car, the hills to the east of Lucca demand exploration.
