DESCRIPTION

Property 1557152294 - Rome

6 Double Bedrooms - Terrace

Location and Surrounding Area. Located in the heart of Rome and steps from the city's most exclusive dining, shopping and entertainment options, this elegant six-bedroom villa is the perfect place for a stylish break in one of the most romantic cities in the world. With a peaceful yet central location, many of Rome's most famous attractions are within easy walking distance, with the rest just a short taxi ride away. It would take weeks to see all that the city has to offer, but a few days is enough to explore Rome's most beautiful sites.

The Baths of Caracalla are just around the corner. In ancient Rome, going for a daily bath was not just a way of getting clean, but also a chance to meet people and catch up on gossip. The Baths of Caracalla had room for 1.600 people and, as well as the baths, there were gardens, cafés and also a reading room. Today it is possible to wander through the ruins of the main building, past hot steam baths, two gyms, two changing rooms with black and white mosaic floors, and a circular hot bath.

The property is just a stone's throw away from the Palatine Hill and the Roman Forum, the ancient center of the civil and religious life of the city. Despite its slightly sad and neglected state, the well-preserved ruins make it the most memorable attraction for many visitors to Rome. The Trevi Fountain, the world's most famous fountain, is just around the corner. The fountain is a Baroque explosion of tritons, winged horses and drinking snakes, and its water glitters with thousands of coins that tourists have tossed in.

The Colosseum, the biggest amphitheater ever built and the most eloquent symbol of Imperial Rome, is just a short walk away. Half circus, half sports arena, Rome's most famous classical ruin is unmissable, especially now that they have extended the visitor route to the underfloor passageways through which gladiators and wild beasts made their entrances. The villa is also a few steps from the Pantheon, the city's best preserved ancient temple and a must for any first visit to Rome.

From here, head to Piazza Navona, a magnificent square with a fountain by Bernini and a popular gathering point for Romans with its bustling terraced cafés and seasonal fairgrounds. The villa is also a few kilometers from the Sistine Chapel and the Roman sculpture-and-sarcophagi-stuffed Vatican Museums, which are normally top of a first-time visitor's bucket list. Your journey is not complete without a visit to St. Peter's Square and St. Peter's Basilica, one of the largest churches ever built.

Property 1557152294 is 13 km from Rome-Ciampino International Airport "G.B. Pastine" and 27 km from Rome-Fiumicino International Airport "Leonardo da Vinci". The Baths of Caracalla are just 600 m from the property, the Palatine Hill is 1,3 km, the Colosseum is 1,9 km, the Roman Forum is 2,2 km, Piazza Navona is 3,5 km, the Pantheon is 4,2 km, the Trevi Fountain is 4,9 km, the Galleria Borghese is 5,5 km, St. Peter's Basilica and St. Peter's Square are 5,8 km, the Vatican Museums are 5,9 km, and the Sistine Chapel is 6,7 km.
