DESCRIPTION

Property 1605885702

Location and Surrounding Area. Located on the western shore of Lake Como, just a short drive from the center of Como and the historic town of Cernobbio, this magnificent eleven-bedroom villa is the perfect place for a stylish Italian break by the lake that inspired composers, artists and poets. The villa is a few kilometers from Argegno, a small village overlooking Lake Como in the area of its major depth. After walking along the characteristic and narrow streets of the old town, do not miss the chance to take in the beautiful surroundings.

The villa is just a stone's throw from Lenno, nestling by a little bay in the lake. The village boasts a beautiful 11th-century church, restored in the 16th century, with a baptistery nearby. From here, head for the grand Villa Balbianello. Do not miss the view of the lake from the balcony and allow a few hours to explore the rooms, in particular the Expeditions Museum, which has memorabilia from Guido Monzino's travels. Take a walk around the gardens and enjoy the wonderful views from the trails.

Take a boat to Tremezzo, one of the most romantic places on the Lake Como, and visit Villa Carlotta. Built at the close of the 17th century, Villa Carlotta was enriched by valuable works of art, including incredible sculptures by Antonio Canova, still on display inside the villa. But the main attraction is its luxuriant garden by the calm waters of Lake Como, which is divided into two parts, an Italian garden designed in the 18th century and an English one laid out by princess Carlotta herself.
