7 Bedrooms - SPA

Location and Surrounding Area. Surrounded by the majestic peaks of the Alpes, this exclusive seven-bedroom chalet is located in the heart of Cervinia, at the foot of the monumental Mount Cervino. Cosmopolitan Breuil-Cervinia is the undisputed ski capital. In fact, the winter season lasts six months (the longest season in Aosta Valley) and in summer it is possible to ski on the Plateau Rosà glacier. Modern lift systems mean ski connections with Valtournenche and Zermatt too. These resorts make the “Cervino Ski Paradise”, a snow paradise.

In Cervinia, everything is within walking distance, including the lift systems, which means you can leave your car in the garage during your stay. The town is made of residential homes and modern hotels, many with wellness centers, offering guests relaxation and memorable moments. Numerous after-ski ideas from shopping to pre-dinner drinks with tastes of local produce, Alpine Guide’s Museum visits and dinner of local gastronomical fair in the many restaurants.

The Breuil-Cervinia Valtournenche Zermatt area is one of the largest in the Alps, with a varied “domaine skiable” beyond compare, which stretches through three valleys in two countries, Italy and Switzerland, from the 3.883 meters of the Piccolo Cervino descending to the 1.524 meters of Valtournenche. Ski runs offering the chance to ski all day without ever repeating the same run twice, alternating easier runs with those of increasing difficulty.
