DESCRIPTION

Property 1605885744 - OSTUNI

5 Bedrooms

Location and Surrounding Area

Located in one of the most appreciated areas in Southern Italy, just a few kilometers from the marvelous Adriatic coast and out the charming town of Ostuni, this exclusive five-bedroom villa is ideally situated to offer complete privacy and tranquility to its guests, providing a perfect retreat for those who want to explore this diverse region which is home to historic towns, incredible landscapes, excellent food and some of the best beaches in Southern Italy.

In just ten minutes by car, you can easily reach Ostuni, also known as “the white city”. With its ancient cobblestone streets, grand churches and quaint white houses, Ostuni boasts remarkable history that goes back to the Stone Ages. The Cathedral and the Bishop’s Palace are especially striking, but there are many other architectural gems to be found, including the old homes of the nobles: you would not be mistaken for thinking that you are actually wandering around a lovely Greek village.

The villa is just a stone’s throw away from Martina Franca, the largest town in the Valle d’Itria. Being in the heart of the valley, Martina Franca is a great base from which to explore this wonderful area, but spend some time exploring its old center, an interesting mix of golden baroque and Greek-like white architecture with many grand palazzi and churches, and a maze of narrow side streets perfect for aimless wandering.

The villa is just a stone’s throw from Locorotondo, a whitewashed hilltop town designated as one of the most beautiful towns in Italy, and from Cisternino, often listed as one of the most beautiful towns in Italy. After you have visited the historic Chiesa di San Nicola, you can get charming views of the surrounding countryside from Piazza Garibaldi, across the street from the church, and the Torre Civica, the tower which helped to protect the city.

The villa is a few kilometers from Alberobello, perhaps the most famous town in the Valle d’Itria due to its typical trulli: the conical rooftops coupled with charming cobblestone alleys and whitewashed houses are a simply magical sight. The old town, a UNESCO World Heritage Site, consists of a maze of lovely streets and steps lined by trulli. Alberobello is considered a unique and enchanting place, and despite the fact that you may find it a bit touristy, it is definitely worth a visit.

The villa is also a few kilometers from Savelletri, a pretty port town with beaches and great dining options. Known for the quality seafood, Savelletri offers a traditional fishing village atmosphere. Enjoy some fresh fish just brought in by the fishermen and stroll along the charming seafront. There is a lovely waterfront church with Templar symbols, which is dedicated to the patron saint, celebrated in grand style on the second Sunday of August with a procession by sea of boats.
