- Complementary Bar

# DESCRIPTION

## *Property 276 – Val d’Isere*

### *4 Bedrooms (3 king-size/twin, 1double)*

On entrance into this beautiful property you are drawn into an exquisite winter retreat on which the emphasis is on luxurious comfort and sumptuous homeliness. Travertino marble steps take you up from the ski fitting room to the main entrance hall of the chalet, elegantly finished with warm Italian tiles and reclaimed wood over 200 years old.

The private terrace and hot tub are accessed from the main entrance hall, as well as from all three bedrooms on this floor. An ideal place to relax and enjoy a glass of champagne after a day on the slopes of the Espace Killy before a tantalising five course dinner is served by your very own gourmet chef.

Each bedroom has an en-suite bath / shower room, and twin or king double beds. The warmth of the wood is pervasive throughout each room, and the large south / south west facing windows bathe each room in crystal clear sunlight.

The second floor is dominated by a huge, open plan living area, its grandeur encapsulated by the high vaulted ceiling and large beams. Yet for all its size it loses nothing of the warmth and homeliness created by deep sofas, a roaring fire and soft textured furnishings. To the right of this fabulous room is the fourth double bedroom and en-suite shower room.

With extraordinary views down the valley and over Val d’Isere, breath-taking surroundings and an understated elegance throughout the chalet you would be hard pushed to find a more luxurious Alpine chalet.

Sleeping Capacity: Sleeps 8 people, 3 King-size/twin and 1 double room with en suite bath/shower room.

Staff: Personal Chef, Chalet Manager, Host/Hostess, Private Chauffeur.
