DESCRIPTION

Property 369 - PORTO ERCOLE

8 Bedrooms

Location and Surrounding Area

Located near Porto Ercole, this elegant eight-bedroom villa is the perfect place for a stylish break on one of the most beautiful stretches of coastline in Southern Tuscany. On the shores of the Tyrrhenian Sea, backed by a chain of wooded hills, the Maremma is a wild landscape home to Etruscan villages, hot springs, unspoiled countryside and crystal-clear waters. This territory hosts a wealth of attractions from the inland areas all the way to the coast, where high cliffs are alternated with little beaches and wonderful coves.

Monte Argentario attracts tourists from all over the world for its unique landscape, its marine environment and its mild climate, which makes it a perfect holiday destination for most of the year. In addition to its natural beauty, the charm of Porto Ercole derives from the imposing Spanish fortresses that were built in the 16th century: Forte Filippo, la Rocca and Forte Stella are three perfectly preserved fortifications from which you can admire the wonderful views of the sea.

The picturesque seaside resort of Porto Santo Stefano overlooks the northern side of the peninsula. Particularly beloved are the promenade along the seafront and the port, where you can feel the genuine seafaring soul of the town. From here, you can also explore the nearby Giglio Island. Orbetello is nestled on a narrow strip of land stretching through a lagoon with the same name. In tune with its surroundings, the town's trade has always been fishing, made easy by the shallow waters of the lagoon.

The villa is a few kilometers from Magliano, famous for its delicious Morellino di Scansano wine. Boasting a pleasing medieval aspect, the town is perched high on a hill cultivated with vineyards and olive trees right in the middle of the Maremma, whose natural park extends into the town's municipal territory. In less than one hour by car, you can easily reach Grosseto, home to priceless art treasures including the striking Piazza del Duomo, where the pink and marble façade of the Cathedral of San Lorenzo stands out.

The villa is also a few kilometers from Capalbio, an alluring town standing at the top of a hill covered with Maremma brush. Because of its elegance, Capalbio has become a holiday destination for the elite, drawn by the evocative atmosphere in the streets and the ancient castle that dominates the valley below. In one hour by car, you can easily reach Saturnia, home to the famous Saturnia Hot Springs where thermal waters flow at a rate of 800 liters a second at a constant temperature of 37 degrees centigrade.

Property 369 is 142 km from Leonardo da Vinci International Airport, 197 km from Florence Amerigo Vespucci International Airport, and 203 km from Pisa Galileo Galilei International Airport. The villa is about 2 km from the center of Porto Ercole, where all the necessary services can be easily found.
