DESCRIPTION

Property 490 - SAN MICHELE SALENTINO

4 Bedrooms

Location and Surrounding Area

Located in one of the most sought-after areas in Southern Italy, just a few kilometres from the stunning Adriatic coast and the charming town of Ostuni, this exclusive, carefully restored four-bedroom villa is ideally situated to offer complete privacy and tranquillity to its guests, providing a perfect retreat for those wishing to explore this diverse region, which is home to historic towns, incredible landscapes, excellent food, and some of the best beaches in Southern Italy.

In just twenty minutes by car, you can easily reach Ostuni, also known as “the White City”. With its ancient cobblestone streets, grand churches, and quaint white houses, Ostuni boasts a remarkable history that dates back to the Stone Ages. The Cathedral and the Bishop’s Palace are especially striking, but there are many other architectural gems to be found, including the old homes of the nobles. You might even feel as if you are wandering through a picturesque Greek village.

The villa is also just a stone’s throw away from Martina Franca, the largest town in the Valle d’Itria. Located in the heart of the valley, Martina Franca serves as a great base for exploring this wonderful area. Its old centre features an intriguing mix of golden baroque and Greek-like white architecture, with many grand palazzi and churches, as well as a maze of narrow side streets perfect for aimless wandering.

The villa is also close to Locorotondo, a whitewashed hilltop town renowned as one of the most beautiful towns in Italy, and Cisternino, often listed as one of Italy’s most picturesque towns. After visiting the historic Chiesa di San Nicola, you can enjoy charming views of the surrounding countryside from Piazza Garibaldi, across the street from the church, and the Torre Civica, the tower that helped protect the city.

A few kilometres from the villa is Alberobello, perhaps the most famous town in the Valle d’Itria due to its typical trulli: the conical rooftops combined with charming cobblestone alleys and whitewashed houses create a truly magical sight. The old town, a UNESCO World Heritage Site, consists of a maze of lovely streets and steps lined with trulli. Although it may feel somewhat touristy, Alberobello remains a unique and enchanting place well worth a visit.

The villa is also a few kilometres from Savelletri, a picturesque port town with beaches and excellent dining options. Known for its quality seafood, Savelletri offers a traditional fishing village atmosphere. Enjoy fresh fish caught by local fishermen and stroll along the charming seafront. There is a lovely waterfront church with Templar symbols, dedicated to the patron saint, celebrated in grand style on the second Sunday of August with a procession of boats.
